

Optimize Savings & Improve Margins with Universal Lens Banks

CooperVision
Specialty EyeCare

CooperVision Specialty EyeCare provides you with an **unmatched portfolio of innovative specialty lens designs**. Consolidate your GP purchases to one laboratory and improve your profit margins with a Universal Lens Bank. Universal Lens Banks (ULBs) provide you full warranty privileges and reduce your per lens costs or provide you with no-charge fitting sets.

Take advantage of one of the below bank options today to kick start or elevate your specialty lens practice!

Not sure what option best suits your needs? Ask your Account Manager to provide you with a purchasing analysis to determine which bank level makes sense for you.

ULB Level 1 - \$1,500
